

What's the Good News?

Challenge Completed

We found our space planning game with this one. House Pauli was one of the most dynamic challenges we've had in ten years- we loved it. We were presented with a small existing media room that wanted to upgrade to full cinema.

Mind The Gap

Invisible Speakers: A secret you can't keep quiet

What's your best kept secret? Ours is speakers. Ok, it's no secret that we have a thing going on with speakers, but we really appreciate the hidden joy that is Amina Invisible Speakers. Heard, not seen. Now that's what you want in a speaker.

Product Respect

Siedle Custom Designed Intercoms

Hello, sultry, smooth steel. You can stay. We love ergonomic designs that house complex systems. Siedle custom designed intercoms are streamlined with German precision to focus on the essentials for maximum functionality, and most importantly, longevity- which is why this product is such a great investment.

What's Hot

Behind the Scenes

Our game is seriously hotting up with some BNC reality TV. We've been switching things up and getting in front of the camera for a change with the shoot of our new video. The team had mad fun with this and it reminded us how much we love what we do.
