

What's the Good News?

Celebrate Good Times, Come On!

We've got news, big news! Our work on House Hurlingham has earned us the 2018 Gold EH Home of the Year Award.

The fully automated home allowed our BNC Technology squad to flex their conceptual muscles and think outside of the box.

Mind The Gap...

Mover' on up!

Our Control4 concierge service puts the power in your home, your hands. Or should we say at your fingertips? Adjust the mood lighting, scope out what's happening with security, regulate your room temperature, pick that A-Class fare and more with the flick of a switch.

What's Hot?!

Lights, camera, comfort.

What good is edge-of-your-seat entertainment when your seat isn't the ultimate best? You deserve plush, hand-crafted, top-shelf seating that'll have the neighbors in a jealous frenzy (you know the ones.) Drums of please: introducing Moooi, the best in select home theatre seating and, yes, we are a supplier.

We're not talking bucket seats with a cup holder here - Moooi's range includes expertly engineered chairs in design styles from Copenhagen to Venice. A must for any home theatre that wants its name in shining lights. Contact a Lifestyle Designer today for more info.

It's called Design Thinking!

Recently Mick Caripis founder and CEO of BNC Technology found himself in the US at the elusive Custom Electronic Design & Installation Association's business exchange. The main aim of the game was to bring back industry insights, technological wonders and first-world knowledge for you.
